

Life Is A Bust
By Ava Burnham

Verse 1:

Life is short want to do what I can
Don't want to look and wish I had
Done more when I had the chance

This life is mine and the world is cold
And I'm tired of doing what I'm told
And I don't want to be just like everyone else

Chorus:

I wish I could go
Back to a time before
All that I ever knew
Was gone forever

This life is such a bust
I got all that I want
And now I know that it was
All for nothing

Verse 2:

They say the odds are not with you
But I'll found it if its really true
After all what have I got to lose?

Cuz if you just dream big enough
You can always get all that you want
In this lifetime that is such a gift

Verse 3:

I got the job and the fancy car
The perfect kids but it breaks my heart
When I found out it was all for nothing

Back to the same place it began
Just more money to spend at hand
But I can't take it with me anyway
