

"Troubled Kid"
by Ava Burnham

Capo 2nd

F C
Albert finally got out of school
F C
Finally got to do things his own way

Pre-chorus:

G
He didn't want to be like everyone else
F
And he couldn't even if he tried

Chorus:

C G
He was bad in school and getting C's
Am F
No good at math, but now he's on TV
C G
Slow in school and deemed a troubled kid
Am F
Just because he's different

Bombing tests, got a D
No good in class found special relativity
Slow in school and deemed a troubled kid
Didn't bring him down it never did

Albert didn't like goin' to class
Didn't care to do well on his exams
Spent his time playing the violin
Didn't care that he was different and he was

Chorus

Teachers said they were wasting their time
And he said, you're wasting my time too
And I don't really care to make this work

And why d'ya keep giving me busy work

Chorus

Albert finally got out of school
He finally got to do things his own way
He didn't want to be like everyone else
And he couldn't even if he tried
