

“Dreamed About You So Many Times”

Capo 4

C F

I dreamed about you so many times  
I can't believe you're by my side  
In the middle of the night

Am F C

Your hands are shaking  
I want to wake up with you  
And you are making  
The world feel like it's brand new

C F

I dreamed about you so many times  
And I never thought I'd find  
You laying right by side  
In the middle of the night

Am F C

It's just a moment  
But I want to hold you in my arms  
I want change your mind  
I want you to stay by my side

I dreamed about you so many times  
I can't believe you're finally mine  
In the middle of the night

Am F C

My knees are weak and  
My heart is beating for you  
Could last a lifetime  
If you want it too

I dreamed about you so many times  
I can't believe your by my side  
In the middle of the night
