

"Like a Kid"

By Ava Burnham

Capo 3

x2 Am/F/C/G/Am F

Let's go on a bicycle ride or go camping  
you'll tell me your stories and I'll tell you mine  
A field with a view or the ocean or  
anywhere you want  
Anywhere at all

**Chorus**

x2 F/C

You make me feel like I'm happy and lucky and growin'  
Like a kid  
You make me feel like I'm going to places that I have  
Never been

x2 F/G C

Make me feel like I'm lucky  
Make me feel like I'm happy  
Like a kid

Two kids on adventures like pirates or heroes  
but we're safe for now  
Invincible and excited we can do whatever we want now  
The best at everything

**Chorus**

Drop your things let's just go cuz we are ready for this now  
It doesn't matter where to cuz we are gonna make it now  
Breaking free somehow

**Chorus**
