

“Set You Free”

Verse 1:

G Em C D

I gave you

Everything you asked for

And I tried to

Be the one that you adored

Pre-chorus

Bm Em

And he'll come back

C D

Is what they told me

Bm Em

They always come back

C

That's what they told me

Chorus:

Em C G D x 2

Oh oh

I couldn't see

The chains that you had binding me

Oh oh

I'll set you free then

Maybe you'll come back to me

Verse 2:

So I heard

That you found a new girl

But I've learned

That she doesn't love you

Bm Em

And he'll come back

C D

Is what they told me

Bm Em

They always come back

C

That's what they told me

Oh Oh
I'll set you free and
Maybe you'll come back to me
Oh Oh
You couldn't see but
Maybe you'll come back for me

Verse 3:

And like they said
I waited and waited
Close my eyes and pretend
That you still love me

You're wasting your life
Is what they told me
It's passed you by
That's what they told me

Oh you're the man of my dreams and
I saw what I wanted to see
Oh no
I can't believe
That you never came back to me
