

"Shoulder to Cry On"

Capo 3

Verse 1:

G Em Am C

(G bm Em C Alt.)

I didn't see at first
The sadness in your eyes
And the sorrow in your heart
And the pain you try to hide

And I had no idea
I thought you had it all
Standing there before me
With a heart that's made of gold

G

I'll be your shoulder to cry on
Em
I'll fix your wings so you can fly
C
I'm never gonna walk away from you (I'm never gonna give up on you babe)
C
I'm never gonna make you cry

I'll be your shoulder to cry on
And I'll hold you through the night
You don't have to worry about anything
I'm never gonna leave your side (we've got this it's just life)

Verse 2:

There's nothing you could say
There's nothing you can do
to make me change my mind
And walk away from you

You can tell me all your secrets
I'll keep them til the day I die
Cuz I love you I love you I love you
I love you all the time

Verse 3:

You don't worry bout getting old or bills to pay
Or what's gonna happen tomorrow
Or what happened yesterday

And I'm gonna show you
Things are not as sad as they seem
I love you I love you forever
And I'll keep you close to me

Chorus

Alt Chorus:

I'll be your shoulder to cry on
And I'll hold you close at night
I'm never gonna give up on you babe
Everything's gonna be alright

(I've got this it's just life)
(I'll love you til the day I die)
