

"Stay With Me"

Capo 4

VERSE 1:

Am G F G

I can see this is goin nowhere
And I like it that way
Wanna run my hands through your hair
Think you feel the same

Am Em F Em

I can see by the look in your eyes
You want to stay
You look so sad and lonely
And I feel the same

CHORUS:

Am Em F Em

Maybe someday I'll get married
But not today
And tonight you got me carried
Carried away

POST CHORUS:

Am G F E

Oh stay with me
Just for one night
Oh darling please
I can see you're lonely

VERSE 2:

I can see by the way you smile
You're all alone
But you can stay a while
And then go home

One more night night
Wanna get you in bed
And I just got paid
I can tell by the look in your eyes
Don't gotta beg you to stay

CHORUS 2:

Am Em F Em

I don't care if I get married
Anyway
Cuz someday I will be buried
Buried in my grave

POST CHORUS:

Am G F E
Oh stay with me
Just for one night
Oh darling please
I can see you're lonely

BRIDGE

Am G Am Em
I thought I saw you cryin'
Am G E
But I was just lookin' in the mirror
